APPLYING FOR HUD HOUSING ASSISTANCE?

**THINK ABOUT THIS...
IS FRAUD WORTH IT?**

Do You Realize...

If you commit fraud to obtain assisted housing from HUD, you could be:

- Evicted from your apartment or house.
- Required to repay all overpaid rental assistance you received.
- Fined up to \$10,000.
- Imprisoned for up to five years.
- Prohibited from receiving future assistance.
- Subject to State and local government penalties.

Do You Know...

You are committing fraud if you sign a form knowing that you provided false or misleading information.

The information you provide on housing assistance application and recertification forms will be checked. The local housing agency, HUD, or the Office of Inspector General will check the income and asset information you provide with other Federal, State, or local governments and with private agencies. Certifying false information is fraud.

So be Careful!

When you fill out your application and yearly recertification for assisted housing from HUD, make sure your answers to the questions are accurate and honest. You must include:

- Any sources of income and changes in income you or any members of your household receive, such as wages, welfare payments, social security and veteran's benefits, pensions, retirement, etc.
- Any money you receive on behalf of your children, such as child support, AFDC payments, social security for children, etc.
- Any increase in income, such as wages from a new job or an expected pay raise or bonus.
- All assets, such as bank accounts, savings bonds, certificates of deposit, stocks, real estate, etc., that are owned by you or any member of your household.

- All income from assets, such as interest from savings and checking accounts, stock dividends, etc.
- Any business or asset (your home) that you sold in the last two years at less than full value.
- The names of everyone, adults or children, relatives and non-relatives, who are living with you and make up your household.

(Important Notice for Hurricane Katrina and Hurricane Rita Evacuees: HUD's reporting requirements may be temporarily waived or suspended because of your circumstances. Contact the local housing agency before you complete the housing assistance application.)

Ask questions

If you don't understand something on the application or recertification forms, always ask questions. It's better to be safe than sorry.

Watch Out for Housing Assistance Scams!

- Don't pay money to have someone fill out housing assistance application and recertification forms for you.
- Don't pay money to move up on a waiting list.
- Don't pay for anything that is not covered by your lease.
- Get a receipt for any money you pay.
- Get a written explanation if you are required to pay for anything other than rent (maintenance or utility charges).

Report Fraud

If you know of anyone who provided false information on a HUD housing assistance application or recertification or if anyone tells you to provide false information, report that person to the HUD Office of Inspector General Hotline. You can call the Hotline toll-free Monday through Friday, from 10:00 a.m. to 4:30 p.m., Eastern Time, at 1-800-347-3735.

You can fax information to (202) 708-4829 or e-mail it to Hotline@hudoig.gov. You can write the Hotline at:

What We Do

Plano Community Homes Sponsored Properties (PCHSP) provides subsidized housing through the U.S. Department of Housing and Urban Development (HUD) 202/8 and Project Rental Assistance Contracts (PRAC) programs.

Housing

Rent is based on 30% of applicant's adjusted gross income. There are allowable deductions for yearly medical expenses which can be verified. Residents are responsible for the cost of electricity, cable and telephone services. Water, sewage and trash removal are paid for by PCHSP. Rental subsidy is tied to our apartments, **NOT** to an individual. If a resident moves out, *he or she does not have a voucher to take with them.*

Eligibility Requirements

Residency is open to all qualified, eligible persons in accordance with the Federal Fair Housing Act and civil rights laws. Federal laws forbid Plano Community Homes Sponsored Properties (PCHSP) to discriminate based on race, color, creed, religion, sex, age, disability, familial status, or national origin. PCHSP does not discriminate based upon age for any reason, excluding HUD program/project requirements. Discrimination against a particular social or economic class is also prohibited. As well, PCHSP makes housing available for eligible persons without regard to sexual orientation, gender identity, or marital status.

A final rule published by the U.S. Department of Housing and Urban Development February 3, 2012, prohibits housing discrimination against lesbian, gay, bi-sexual or transgendered (LGBT) individuals in all HUD subsidized, insured and financing programs. The final rule also clarifies that all otherwise eligible families, regardless of marital status, sexual orientation, or gender identity, will have the opportunity to participate in HUD programs. PCHSP makes housing available without regard to the sexual orientation or gender identity of an Applicant for, or occupant of, the dwelling.

The eligibility criteria for the **Section 202/8** buildings on Plano Community Home, Inc. **East Campus** (PCH) are:

- 1) to be at least 62 years of age;
- 2) to be at least 18 years of age with a verifiable disability that requires the features of our accessible units;
- 3) to be financially within the current maximum income limits which are: \$41,100 for a one person household and \$46,950 for a two person household; and
- 4) to be capable of meeting the terms of the lease and who meet all of the criteria outlined in the *PCHSP Tenant Selection Plan*. A complete copy of the *Tenant Selection Plan*, for each campus, is available for review in the Admission's Office at East Campus.

The eligibility criteria for the **Section 202 PRAC** buildings at **Pioneer Place Senior Housing I and II, Plano Community Homes III, IV and V West Campus and Fair Oaks of Denton** are:

- 1) to be at least 62 years of age;
- 2) to be financially within the current maximum income limits which are: \$41,100 for a one person household and \$46,950 for a two person household; and
 - For one (1) building at the West Campus (3925 American Drive) **ONLY**, program requirements allow a higher income of \$65,700 for a one person household and \$75,100 for a two person household.
- 3) to be capable of meeting the terms of the lease and who meet all of the criteria outlined in the *Tenant Selection Plan*. A complete copy of the *Tenant Selection Plan*, for each campus, is available for review in the Admission's Office at East Campus and Fair Oaks of Denton.

The Violence Against Women and Justice Department Reauthorization Act of 2005/2013 protects Applicants and Residents who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them. In accordance with the Violence Against Women Act (VAWA), Management will not penalize victims of domestic violence, stalking, dating violence, rape, or sexual assault as defined as any non-consensual sexual act proscribed by federal, tribal, or state law, including when the victim lacks capacity to consent.

Occupancy Standards

All applicants and proposed household members must meet the eligibility requirements for these programs. We house a one person household in either an efficiency apartment or a one bedroom apartment. Our occupancy policy is to accommodate two person households in a one bedroom apartment. Tenants may not exceed the maximum occupancy. PCHSP has no apartments larger than one bedroom.

Mobility Impairment

Ten percent (10%) of all the units have additional accessibility features for those who are mobility impaired. In these apartments, PCHSP can accommodate those who need the features of these units; those who meet the age requirements of the respective campus; are financially below the maximum annual income; are capable of meeting the terms of the lease; and who meet all of the criteria outlined in the *Tenant Selection Plan*.

Tenant Selection Policy

An applicant may only be placed on our waiting list after submitting a fully completed application. This means all questions on all pages must be answered and the applicant(s) must sign all pages that require a signature. In the event the applicant is personally unable to complete the form, the applicant must provide the information to someone assisting in completing the form. The person assisting the applicant must sign and date the application, indicating that it was completed at the direction of the named applicant(s). The applicant(s) signature is required. We will not accept an application from, nor accept as a resident, anyone who has had someone else sign on his or her behalf.

Waiting Lists

Once an applicant's position on a waiting list enables application processing, the household will only be sent two consecutive notices of the opportunity to begin the interview process.

If for any reason, other than medical, the applicant or any member of the household is unable or decides not to begin or complete the application process, the Applicant shall be removed from the wait list and must reapply by completing a new application that will have to be processed for eligibility. ***Going to the end of a list is no longer an option.***

If applicant(s) lacks a rental history, two (2) *Verification of Ability to Comply* forms are required. PCHSP reserves the right to ask for personal or professional references outside of the family and may conduct a home visit if necessary.

If an applicant is sent the *Mobility Impairment Verification Form (MIVF)*, it must be returned to the Admission's Office within 14 days. If it is not returned, or is not correctly filled out, the application will be rejected with a 14 day opportunity to appeal in writing. If we receive the *MIVF* by the 14 day deadline, we will send it to the doctor whose information is on the form. If it is not returned or is not correctly filled out, the application will be rejected with a 14 day opportunity to appeal in writing. A maximum of two verification opportunities will be sent to no more than two doctors requesting the form be approved. This will help to prevent "doctor shopping" and fraud.

Applicants who are removed from any PCHSP waiting list will be required to wait **one** (1) year, from the date his or her name is removed from a waiting list by Admission staff, before reapplying again.

If an applicant reapplies and is removed from any PCHSP waiting list a second time, that household will need to wait for a period of **two** (2) years to reapply, unless their situation has significantly changed.

If an applicant is rejected during any part of the admission process, or completed an appeal, and the final decision was to reject this application, the applicant(s) is removed from all PCHSP waiting lists and must wait at least two (2) years to reapply.

All applicants in a household will be processed as one approval or denial for an apartment. If any one of the applicants has a negative rental history, negative credit history or negative criminal history all applicants will be denied.

An applicant's, or program participant's, status as a victim of domestic violence, dating violence or stalking is not a basis for denial of rental assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission.

If an applicant requests to add a spouse or other member to the household application, the applicants will need to reapply as a complete household.

Update Letters

Our policy requires that we periodically request all applicants to confirm their interest in remaining on the waiting list. ***Failure to respond to update letters will result in removal from the waiting list.***

Rent

In determining a household's rent there are allowances for verifiable medical expenses. Applicants are encouraged to begin keeping all receipts of medically related expenses, medical bills, proof of payment, cancelled checks, Explanation of Benefits from Medicare, Medicaid or health insurance companies, etc. In order to give you maximum credit for medical expenses when figuring your rent, PCHSP will need verification of the following types of expenses.

- Medical insurance premiums including Medicare and Medicare supplemental insurance.
- Prescription medications and over-the-counter medications.
- Dental, vision, and hearing related expenses.
- Doctor and hospital related expenses.

During the first interview, applicants will receive a detailed packet of information explaining what medical expenses are allowable and what is needed for PCHSP to properly verify these expenses.

Reasonable Accommodations

PCHSP is an equal housing opportunity provider and does not discriminate against applicants or residents with disabilities. PCHSP is committed to serving eligible and qualified individuals regardless of disability. If you need a Reasonable Accommodation, related to a disability, to reside in one of our facilities and to have an equal opportunity to participate in the project, you should bring that to the attention of the Director of Admissions. PCHSP Management will try to work with you to reach an accommodation in keeping with the fundamental nature of the program and within the budgetary and administrative limits of the facility. If you believe that negative information which may surface during the processing of your application for residency is attributable to a disability, you are encouraged to bring this fact to the attention of the Management and explain what, if any, changes in your circumstances diminish the negative facts and make you an appropriate candidate for residency.

Existing Tenant Search

PCHSP is required by HUD to complete an Existing Tenant Search using the Enterprise Income Verification system (EIV) for applicants prior to admission. This search will be conducted as part of the initial interview. Further, PCHSP will utilize the EIV system for each resident at least one (1) time per year to run reports to verify income and to identify and correct discrepancies in information provided by residents. Discrepancies in reported income could result in changes to tenant rent including the pay back of any miscalculated rent owed. PCHSP will also run one (1) report to verify income approximately ninety 90 days from when the initial move-in information was submitted to HUD.

Smoking Policy

Since May 9, 2005, all properties under the sponsorship of Plano Community Homes Sponsored Properties are smoke free. Smoking, including electronic cigarettes, vapors and other tobacco free apparatus, are prohibited anywhere in any building including resident apartments.

- Smoking will only be permitted outside and only in designated areas at each property. Smoking must be at least 25 feet from any building, doors or windows. However, smoking under any awning, breezeway, gazebo or pergola, regardless of the weather, is not allowed.
- The *Smoke Free Policy* applies to PCHSP residents, staff, families, guests, applicants, visitors and subcontractors. Applicant(s) will not be admitted without signing acknowledgement of this policy as part of the initial admission interview and *House Rules* prior to moving in.

Completing the Application

By completing and returning this application, you are applying for housing subsidized by the U.S. Department of Housing and Urban Development (HUD).

Warning: Section 1001 of Title 18 of the U.S. Code makes it a criminal offense to make willful false statements or misrepresentations to any department or agency of the United States as to the matters within its jurisdiction.

Questions regarding race, religion and national origin are for statistical data only and WILL NOT be used when determining eligibility. PCHSP does business in accordance with the *Federal Fair Housing Laws* and *Americans with Disabilities Act*.

PCHSP will NOT accept incomplete applications. If a section in the application is not applicable, indicate by writing N/A, *do not* leave it blank. Please use a pen with blue or black ink **ONLY**. *Do NOT use a pencil as written information may wear off the application making it illegible.*

PCHSP will ONLY accept applications with all the original signatures. Delivery must be by mail or in person to the Admission Office in Plano or Denton. **Applications are NOT accepted by fax or email.**

PCHSP will ONLY accept applications from households whose head of household is at least 62 years of age (or at least 18 years of age for an apartment designed for Mobility Impairment at East Campus only) at the time the application is completed and submitted.

Any applicant(s) whose primary language is not English, or who will need assistance with reading and understanding this application, will be required to have a translator or representative attest to the fact that this application has been read/translated in its entirety to the applicant(s).

Proof of Social Security Numbers

Effective January 31, 2010, all household members receiving subsidy assistance or applying to receive subsidy assistance at PCH will be required to provide a Social Security Number (SSN) and adequate documentation necessary to verify that number. This rule applies to all household members including Live-in Aides, foster children and foster adults. Adequate documentation means a social security card issued by the Social Security Administration (SSA) or other acceptable evidence of the SSN. If an applicant does not have a Social Security Number, do they qualify for one of the three allowable exceptions?

- Ineligible, non-citizen member, *not* contending eligible immigration status
- Members that were 62 years old as of January 31, 2010 and whose initial determination of eligibility began before January 31, 2010
- Members under the age of 6 eligible for a 90-day extension to provide their assigned SSN

Income and Asset Reporting Requirements

Applicants and Residents are required to report **all income from all sources and all assets, located in the U.S.A. or in another country**, for PCHSP to determine eligibility and appropriate rent. This includes, but is not limited to, any sum of money no matter how great or small from employment, Social Security, supplement security income, disability compensation, Veterans Administration (V.A.) payments, company or

government pension (from any government), unemployment compensation, income from rental property, interest from dividends on assets, annuities, mineral rights, regular monetary contributions from family or friends, including any Eligible Non-Citizen Sponsorship contributions agreed upon through U.S. Immigration Enforcement (such as the Affidavit of Support Under Section 213A under the Immigration and Nationality Act Department of Homeland Security/U.S. Citizenship and Immigration Services Sponsor's Contract), or **ANY** other sources of income you have.

- If you are a legal non-citizen who came into the United States of America with a financial sponsor, a copy of sponsorship form I-864 is required. The income one should be receiving from their sponsor is the amount PCHSP will be basing income calculations on. According to USCIS, form I-864 requires a sponsor to maintain the intending immigrant at an income of at least 125% of the federal poverty level; the current poverty guideline for 2025 is \$19,562.50 per year for a one person household, and \$26,437.50 per year for a two-person household. If both individuals in the household were sponsored, we will need the documents for both persons. Obligations for a sponsor under I-864 end if the person becomes a citizen or has worked/can be credited with 40 quarters of coverage under the Social Security Act. In this instance, the individual's reported income would be reflected through receiving Social Security benefits.

If a Federal, State or local agency, or a private agency provides any covered means-tested public benefit to the person who becomes a permanent resident based on the Form I-864 that you signed, and their income falls within the guidelines set forth by the U.S. Department of Health and Human Services in the Poverty Guidelines, the agency may ask you to reimburse them for the amount of the benefits they provided. If you do not make the reimbursement, the agency may sue you for the amount that the agency believes you owe. If you are sued, and the court enters a judgment against you, the person or agency that sued you may use any legally permitted procedures for enforcing or collecting the judgment. You may also be required to pay the costs of collection, including attorney fees. If you do not file a properly completed Form I-865 within 30 days of any change of address, USCIS may impose a civil fine for you failing to do so.

It is the responsibility of the Applicant to report **any and all assets or investments located inside the U.S.A. or in another country.** The Applicant must report all assets and investments such as cash located in banks, security deposit boxes, at home or stored anywhere else; all Bank Accounts including, but not limited to, checking, savings, money markets, C.D.'s, IRA's; Stocks/Bonds; Real Estate; Land; Homes, etc.

Failure to report any income or asset is FRAUD. It is the policy of PCHSP to report fraud to the appropriate agency within the U. S. Government.

- If you **are** an American Citizen you will need to complete page 27 and block one (1) of page 30 as well as the *Family Summary Sheet* on page 26.
- If you are **not** a citizen of the United States, please complete page 27 and whatever paragraphs are appropriate, pages 28-30, as well as the *Family Summary Sheet* on page 25, and the *Applicant Verification Consent Format* on page 29.
- If you are **not** a United States Citizen, you will also need to present the appropriate documents to verify that you are a non-citizen with eligible immigration status. The categories are explained on the applicant declaration form.
- If you are a non-citizen without eligible immigration status, you are not eligible to live at any PCHSP property.

The following attachments are a part of the application document and must be completed and signed for this to be accepted as a complete application.

Dear Applicant,

Section 214 of the Housing and Community Development Act of 1980, as amended, prohibits the Secretary of HUD from making financial assistance available to persons other than U.S. citizens or nationals, or certain categories of eligible Non-citizens, in the following HUD programs:

- a. Section 8 Housing Assistance Payments programs;
- b. Section 236 of the National Housing Act including Rental Assistance Payment (RAP);
- c. Section 101/Rent Supplement Program; and
- d. Section 202/PRAC.

You have applied, or are applying for, assistance under one of these programs. Therefore, you are required to declare U.S. Citizenship or submit evidence of eligible immigration status for each of your family members for whom you are seeking housing assistance. You must do the following:

1. Complete a Family Summary Sheet, using the attached blank format to list all family members who will reside in the assisted unit.
2. Each family member (including you) listed on the Family Summary Sheet must complete a Declaration. If there are 2 people listed on the Family Summary Sheet, you should have 2 completed copies of the Declaration. The Declaration has easy-to-follow instructions and explains what, if any other forms and/or evidence must be submitted with each Declaration.

3. Submit the Family Summary Sheet, the Declarations, and any other forms and/or evidence to the name and address listed below at the time you return this application.

Plano Community Home
1612 Avenue L
Plano, TX 75074

If applying **ONLY** to the Fair Oaks of Denton property:
Fair Oaks of Denton
1950 Lattimore Street
Denton, TX 76209

This Section 214 review will be completed in conjunction with the verification of other aspects of eligibility for assistance. If you have any questions or difficulty in completing the attached items or determining the type of documentation required, please contact the PCHSP Admissions Coordinator who will be happy to assist you. Also, if you are unable to provide the required documentation with this application, you should immediately contact this office and request an extension, using the block provided on the Declaration Format. *Failure to provide this information or establish eligible status may result in your not being considered for housing assistance.*

If this Section 214 review results in a determination of ineligibility, you will have an opportunity to appeal the decision. Also, if the final determination concludes that only certain members of your family are eligible for assistance, your family may be eligible for proration of assistance. This means that when assistance is available, a reduced amount may be provided for your family based on the number of members who are eligible.

If assistance becomes available and the other aspects of your eligibility review show that you are eligible for housing assistance, that assistance may be provided to you if at least one member of your household has submitted the required documentation. Following verification of the documentation submitted by all family members, assistance may be adjusted depending on the immigration status verified. You will be contacted as soon as PCHSP has further information regarding your eligibility for assistance.

The following MUST be completed: List all family members below who are applying to live in an apartment at Plano Community Homes/Pioneer Place/Fairoaks. List the Head of Household (yourself) first and then the name of anyone else in your family that would be residing in the apartment with you.

Instructions for the Race and Ethnic Data Reporting form (HUD-27061)

A. General Instructions:

This form is intended to be used by two categories of respondents: (1) applicants requesting funding from the Department of Housing and Urban Development (HUD); and (2) organizations who receive HUD Federal financial assistance that are required to report race and ethnic information.

In compliance with OMB direction to revise the standards for collection of racial data, HUD has revised its standards as depicted on this form. The revised standards are designed to acknowledge the growing diversity of the U.S. population. Using the revised standards, HUD offers organizations that are responding to HUD data requests for racial information, the option of selecting one or more of nine racial categories to identify the racial demographics of the individuals and/or the communities they serve or are proposing to serve. HUD's collection of racial data treats ethnicity as a separate category from race and has changed the terminology for certain racial and ethnic groups from the way it has been requested in the past using two distinct ethnic categories. The revised definitions of ethnicity and race have been standardized across the Federal government and are provided below.

1. The two ethnic categories as revised by the Office of Management and Budget (OMB) are defined below:

Hispanic or Latino. A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term "Spanish origin" can be used in addition to "Hispanic" or "Latino."

Not Hispanic or Latino. A person not of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

2. The five racial categories as revised by the Office of Management and Budget are defined below:

American Indian or Alaska Native. A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

Asian. A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American. A person having origins in any of the black racial groups of Africa. A term such as "Haitian" can be used in addition to "Black" or "African American."

Native Hawaiian or Other Pacific Islander. A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White. A person having origins in any of the original peoples of Europe, the Middle East or North Africa.

Note: The information required to be reported may be collected and submitted to HUD via the use of this form or by other means, such as summary reports or via electronic reporting mechanisms. The primary goal is a consistent manner of summarizing, across all HUD programs, the racial and ethnic data of the population(s) served or proposed to be served by your organization.

B. Specific Instructions for Completing the Form:

Organizations using this form should collect the individual responses from the community of individuals you intend to serve or those that you are serving, as applicable. After the individual collections are gathered, you should report (via this form or by the use of other means such as electronic reports that provide the summary data required by this form) the aggregate totals of the racial and ethnic data that you collect via the applicable categories as described below:

Total Number of Racial Responses: Under this column you should indicate the total number of responses collected in the blocks next to the applicable categories.

Total Number of Hispanic or Latino Responses: Under this column you should indicate the total number of responses collected in the blocks next to the applicable racial categories (e.g., you would enter the total number of Asian respondents that indicated they are Hispanic or Latino). When collecting this information from beneficiaries of the Federal financial assistance all respondents should be required to indicate their ethnic category, which requires either a "yes" or "no" response.

Other Multiple Race Combinations: Next to this racial category, indicate all racial categories (if any) identified by respondents that do not fit one of the five single race categories or four double race combinations above, and which have a total count that exceeds one percent of the total population being reported. You must identify each such racial combination, including the actual count, the percentage of the total population (in parenthesis), and the actual Hispanic or Latino count.

For example, if you obtain data that indicates the total population served is 200 and includes 10 Native Hawaiian or Other Pacific Islander and White and 12 Native Hawaiian or Other Pacific Islander and Asian, and those numbers (of Native Hawaiian or Other Pacific Islander and White and Native Hawaiian or Other Pacific Islander and Asian) each equates to more than one percent of the total population being served, and 2 of the Native Hawaiian or Other Pacific Islander and White indicate they belong to the Hispanic/Latino ethnic category and 3 of the Native Hawaiian or Other Pacific Islander and Asian indicate they belong to the Hispanic/Latino ethnic category, you should complete the form as follows:

Racial Categories	Total Number of Race Responses	Total Number of Hispanic or Latino Responses
*Other multiple race combinations: [Per the form instruction, write in a description using the box on the right]	Native Hawaiian or Other Pacific Islander AND White 10 (5%)	2
	Native Hawaiian or Other Pacific Islander AND Asian 12 (6%)	3

How the percentage should apply will vary by program depending on whether the program is required to provide data on the total community, or on the beneficiaries/individuals served or proposed to be served.

Balance of individuals reporting more than one race: This block is intended to capture the balance of any racial categories that are not included in the list of nine above and are not included under "Other multiple race combinations greater than one percent." Indicate the total number of all racial categories reported that do not fit the nine racial categories above, and do not equate to one percent of the total population being reported. Be sure to also indicate the total number of all related Hispanic or Latino responses.

Total: On the last row of the form, you should indicate the aggregate totals of all the information you gathered including the total of all racial categories and the total of all the Hispanic or Latino categories.

The information collection requirements contained in this form were submitted to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). The public reporting burden is estimated at 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Section 644 of the Housing and Community Development Act of 1992 (42 U.S.C. 13604) imposed on HUD the obligation to require housing providers participating in HUD's assisted housing programs to provide any individual or family applying for occupancy in HUD-assisted housing with the option to include in the application for occupancy the name, address, telephone number, and other relevant information of a family member, friend, or person associated with a social, health, advocacy, or similar organization. The objective of providing such information is to facilitate contact by the housing provider with the person or organization identified by the tenant to assist in providing any delivery of services or special care to the tenant and assist with resolving any tenancy issues arising during the tenancy of such tenant. This supplemental application information is to be maintained by the housing provider and maintained as confidential information. Providing the information is basic to the operations of the HUD Assisted-Housing Program and is voluntary. It supports statutory requirements and program and management controls that prevent fraud, waste and mismanagement. In accordance with the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless the collection displays a currently valid OMB control number.

Privacy Statement: Public Law 102-550, authorizes the Department of Housing and Urban Development (HUD) to collect all the information (except the Social Security Number (SSN)) which will be used by HUD to protect disbursement data from fraudulent actions.

Instructions for the Race and Ethnic Data Reporting form (HUD-27061)

A. General Instructions:

This form is intended to be used by two categories of respondents: (1) applicants requesting funding from the Department of Housing and Urban Development (HUD); and (2) organizations who receive HUD Federal financial assistance that are required to report race and ethnic information.

In compliance with OMB direction to revise the standards for collection of racial data, HUD has revised its standards as depicted on this form. The revised standards are designed to acknowledge the growing diversity of the U.S. population. Using the revised standards, HUD offers organizations that are responding to HUD data requests for racial information, the option of selecting one or more of nine racial categories to identify the racial demographics of the individuals and/or the communities they serve or are proposing to serve. HUD's collection of racial data treats ethnicity as a separate category from race and has changed the terminology for certain racial and ethnic groups from the way it has been requested in the past using two distinct ethnic categories. The revised definitions of ethnicity and race have been standardized across the Federal government and are provided below.

3. The two ethnic categories as revised by the Office of Management and Budget (OMB) are defined below:

Hispanic or Latino. A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term "Spanish origin" can be used in addition to "Hispanic" or "Latino."

Not Hispanic or Latino. A person not of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

4. The five racial categories as revised by the Office of Management and Budget are defined below:

American Indian or Alaska Native. A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

Asian. A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American. A person having origins in any of the black racial groups of Africa. A term such as "Haitian" can be used in addition to "Black" or "African American."

Native Hawaiian or Other Pacific Islander. A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White. A person having origins in any of the original peoples of Europe, the Middle East or North Africa.

Note: The information required to be reported may be collected and submitted to HUD via the use of this form or by other means, such as summary reports or via electronic reporting mechanisms. The primary goal is a consistent manner of summarizing, across all HUD programs, the racial and ethnic data of the population(s) served or proposed to be served by your organization.

B. Specific Instructions for Completing the Form:

Organizations using this form should collect the individual responses from the community of individuals you intend to serve or those that you are serving, as applicable. After the individual collections are gathered, you should report (via this form or by the use of other means such as electronic reports that provide the summary data required by this form) the aggregate totals of the racial and ethnic data that you collect via the applicable categories as described below:

Total Number of Racial Responses: Under this column you should indicate the total number of responses collected in the blocks next to the applicable categories.

Total Number of Hispanic or Latino Responses: Under this column you should indicate the total number of responses collected in the blocks next to the applicable racial categories (e.g., you would enter the total number of Asian respondents that indicated they are Hispanic or Latino). When collecting this information from beneficiaries of the Federal financial assistance all respondents should be required to indicate their ethnic category, which requires either a "yes" or "no" response.

Other Multiple Race Combinations: Next to this racial category, indicate all racial categories (if any) identified by respondents that do not fit one of the five single race categories or four double race combinations above, and which have a total count that exceeds one percent of the total population being reported. You must identify each such racial combination, including the actual count, the percentage of the total population (in parenthesis), and the actual Hispanic or Latino count.

For example, if you obtain data that indicates the total population served is 200 and includes 10 Native Hawaiian or Other Pacific Islander and White and 12 Native Hawaiian or Other Pacific Islander and Asian, and those numbers (of Native Hawaiian or Other Pacific Islander and White and Native Hawaiian or Other Pacific Islander and Asian) each equates to more than one percent of the total population being served, and 2 of the Native Hawaiian or Other Pacific Islander and White indicate they belong to the Hispanic/Latino ethnic category and 3 of the Native Hawaiian or Other Pacific Islander and Asian indicate they belong to the Hispanic/Latino ethnic category, you should complete the form as follows:

Racial Categories	Total Number of Race Responses	Total Number of Hispanic or Latino Responses
*Other multiple race combinations: [Per the form instruction, write in a description using the box on the right]	Native Hawaiian or Other Pacific Islander AND White 10 (5%)	2
	Native Hawaiian or Other Pacific Islander AND Asian 12 (6%)	3

How the percentage should apply will vary by program depending on whether the program is required to provide data on the total community, or on the beneficiaries/individuals served or proposed to be served.

Balance of individuals reporting more than one race: This block is intended to capture the balance of any racial categories that are not included in the list of nine above and are not included under "Other multiple race combinations greater than one percent." Indicate the total number of all racial categories reported that do not fit the nine racial categories above, and do not equate to one percent of the total population being reported. Be sure to also indicate the total number of all related Hispanic or Latino responses.

Total: On the last row of the form, you should indicate the aggregate totals of all the information you gathered including the total of all racial categories and the total of all the Hispanic or Latino categories.
